

**Lutheran Services Carolinas
Child & Family Services Day 2014**

Please plan to use the following prayer petition on the Sunday your congregation celebrates the ministries of LSC child and family services:

Prayer Petition:

Gracious God, Lutheran Services Carolinas works as Your hands in the world making sure that vulnerable populations are not forgotten. Bless the efforts of this ministry and lift up those children, adults, and families served by LSC so that they may know Your love. And Father we know that you are present in all that we do. Thank you for the wonderful blessings in our lives that enable us to help those less fortunate.

Lord, in your mercy,

Hear our prayer.
