

**Senior Services Sunday 2014  
Congregational Announcement**

Today we are celebrating the senior ministries of Lutheran Services Carolinas. For those of you who are not familiar with this organization, LSC is a not-for-profit ministry serving the Carolinas through a wide array of programming, including senior services, and services geared toward children, families, and adults with a variety of special needs. LSC's senior ministries include skilled nursing homes, retirement communities, assisted living residences, adult day services, and geriatric care programs. This organization reaches out to God's most vulnerable people, including older adults who need specialized care.

Let us consider the following verse from 1 Corinthians 11:2: "I praise you for remembering me in everything and for holding to the traditions just as I passed them on to you." This verse inspired the theme for LSC's emphasis month, "Treasuring God's Traditions." This verse and theme remind us to cherish and practice those traditions that honor God, one of which is caring for those who are most vulnerable. With the support of our congregation, LSC can continue to serve older adults across North Carolina. If you would like to learn more about Lutheran Services Carolinas, please visit their website, [www.LSCarolinas.net](http://www.LSCarolinas.net) or call 1-800-HELPING.

*Note: If your church will be using bulletin inserts and/or giving envelopes, please be sure and call your congregation's attention to the information included in their bulletins.*
