

**Lutheran Services Carolinas
Child & Family Services Sunday 2015**

Bulletin announcement

Please plan to use the following bulletin announcement on the Sunday your congregation celebrates the ministries of LSC child and family services:

During the month of March, the ministries of Lutheran Services Carolinas child and family services are celebrated in congregations throughout North Carolina. The theme for LSC's emphasis month, Be Joyful in the Lord, encourages us to recognize and share God's joy with all people. Through partnerships with congregations, like yours, the ministries of LSC can restore joy to those who have lost all hope. LSC's child and family ministries include Lutheran Disaster Response, foster care, adoption, refugee resettlement, veterans services, mental health services, counseling, supportive housing, residential services for adults with developmental and/or intellectual disabilities, and transitional living for homeless adults with traumatic brain injury and/or severe and persistent mental illness. For more information on the work of LSC child and family services or to make a donation, visit www.LSCarolinas.net or call 1-800-HELPING.
