

Lutheran Services Carolinas
Child & Family Services Sunday 2015

Noisy Sunday Instructions:

**Thank you for making a joyful noise to the Lord by hosting a “Noisy Sunday”
(loose change offering) for Lutheran Services Carolinas.**

- 1) Publicize the date of your Noisy Sunday collection in your congregation and encourage everyone to bring in their spare change. Quiet money is also appreciated! This is an excellent opportunity to talk about the work of LSC and how the money collected will help children, adults, and families in crisis.
- 2) On the Sunday of your collection, have the children go around the church with metal pots and buckets and collect the loose change. The children will enjoy hearing the “noise” as the change is dropped in the containers. Lift up the LSC ministry and the donations collected in prayer.
- 3) Count your offerings collected from the Noisy Sunday and send a check made payable to Lutheran Services Carolinas for the total. On the memo line, put Child and Family Month. *Please don't send the loose change.*
- 4) Share with your congregation the amount collected and thank them for supporting Lutheran Services Carolinas.
