

**Lutheran Services Carolinas
Senior Services Sunday 2015**

Bulletin Announcement

Please plan to use the following bulletin announcement on the Sunday your congregation celebrates the ministries of LSC senior services:

For many older adults, hope is a safe place to live, a warm smile, or a sense of renewal. Thanks to the support of congregations like yours, Lutheran Services Carolinas shared the power of hope with more than 2,800 seniors last year through its adult day services, care management, caregiver support, home care, and senior living communities. Throughout the month of May, LSC lifts up these ministries and honors the older adults in its care. The theme for LSC's emphasis month, Share the Power of Hope, reminds us of the infinite power of hope and the Holy Spirit. Your prayerful support allows the LSC ministry to share hope with its residents and enhance the quality of their care. For more information on the ministries of LSC or to make a donation, visit www.LSCarolinas.net or call 1-800-HELPING.
