

## *Lutheran Services Carolinas | Senior Services Sunday 2015*

*“May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.” Romans 15:13*

*Hope is...*

### *a safe place to live.*

Whether it's in a senior living community or their own home, Lutheran Services Carolinas wants to provide the older adults in its care with a safe place to call home. LSC works with families to meet this most basic need, which puts minds at ease and offers a sense of security and well-being.

### *a warm smile.*

There is something extremely powerful about a kind smile. Many seniors can experience times of loneliness or neglect. LSC works diligently to instill hope, joy, and peace in older adults across the state. As you celebrate LSC's senior ministries, lift up and celebrate the older adults in your congregation. You never know when the smallest gesture can have the greatest impact on someone's life.

### *a sense of renewal.*

LSC strives to provide its residents, participants, and clients with a strong sense of purpose. From Zumba classes and music therapy to trips to the beach and art classes, LSC wants those in its care to always keep growing and trying new life experiences.
