**Bulletin announcement – Sunday, March 6**

The ministries of Lutheran Services Carolinas child and family services are celebrated in congregations during the month of March. Services offered by LSC include Lutheran Disaster Response, foster care, adoption, refugee services, veterans services, mental health services, counseling, supportive housing, supported living residences for adults with intellectual/developmental disabilities, and transitional living for homeless adults with traumatic brain injury and/or severe and persistent mental illness. Many people talk about what they’re giving up for Lent, but for the children, adults, and families served by Lutheran Services Carolinas, giving something up isn’t always an option. Instead they might be searching for the basic necessities that are often taken for granted - a safe place to live, a steady job, or even a family to call their own. During this season of Lent, LSC invites congregations to celebrate 40 years of living, loving, and serving together to help vulnerable populations across North and South Carolina. For more information, visit [www.LSCarolinas.net](http://www.LSCarolinas.net) or call 1-800-HELPING.
