Love, Love, & Serve

and help LSC celebrate its child and family ministries during March.

The season of Lent is a time of preparation and reflection. Many talk about what they're giving up, which can range from chocolate and soft drinks to Facebook. However, for the children, adults, and families in LSC's care, giving something up isn't always an option. Instead they might be searching for the basic necessities that many take for granted - a safe place to live, a steady job, or even a family to call their own.

During this Lenten season, join with LSC in order to educate your congregations and to make all aware of the situations those in LSC's care face on a daily basis. LSC relies on the services and support of churches throughout North and South Carolina to enrich the lives of those in need.

Thank you for being our ministry partner and please consider selecting a day to lift up LSC and to celebrate how much can be accomplished when we live, love, and serve together.
