Job Description

Job Title: Intensive Alternative Family Treatment (IAFT) Program Manager

Supervisor (title): IAFT State Director

Department: IAFT

Approved by: B. Welch 

Date: 4/14/2016

Position Purpose/Summary *(A brief descriptive statement that summarizes the overall purpose and objectives of the position, the results the worker is expected to accomplish, and the degree of freedom to act):*

This position will be responsible for developing and growing Intensive Alternative Family Treatment Services in identified regions in the state of North Carolina. The IAFT Program Manager will be responsible for supervision of the IAFT Team and for co-facilitating clinical intervention team meetings. This position will be responsible for providing direct care to children served and their treatment parents. Coverage for 24/7 crisis calls and on-site provision of crisis services for consumers will be provided by the Program Manager. The IAFT Program Manager will use Evidence Based Practices to serve consumers in this program, and train staff, families, and consumers regarding appropriate clinical interventions. Additionally, the Program Manager will be responsible for recruiting and training families in the IAFT program.

Essential Functions *(Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions):*

1. Adhere to all IAFT requirements, contracts, and regulations.
2. Recruit, train, and license IAFT families; training will include Together Facing the Challenge, Collaborative Problem Solving, Shared Parenting, Becoming a Therapeutic Parent, Diagnostic and Statistical Manual of Mental Disorders, and other child-specific trainings as required.
3. Serve high risk children, adolescents, treatment parents, and reunification families with meeting the client's mental health, behavioral management, and crisis resolution needs.
4. Provide services primarily in treatment parent homes where client resides; or travel to other locations to provide client-specific services.
5. Schedule and complete client pre-placement assessment meeting within 72 hours of receiving referrals.
6. Must be available 24 hours/7 days per week to treatment families and clients (must obtain coverage by supervisor or supervisor's designee if not available 12 hours or longer).
7. Participate in monthly child and family team meetings, weekly team consultation meetings, and weekly individual supervision.

8. Implement a range of clinical services to client, treatment parents, and reunification families that is consistent with the family's values, learning styles, lifestyle, circumstances, and culture.
9. Conduct ongoing comprehensive, strength-based, and behavior-focused assessments.
10. Collaborate with child and family team, client, and treatment families to develop individualized person-centered plans, crisis plans, and child-specific interventions.
11. Supervise Care Coordinators and assist with service coordination and authorization services based on individual client's needs.
12. Participate in all IAFT required trainings.
13. Coordinate formal and informal community resources and systems while teaching reunification family members to advocate for themselves.
14. Establish and maintain positive working relationships with referring agencies and staff and other community professionals.
15. Comply with all service contract requirements.
16. Other duties as assigned by supervisor.
